Participants must book their flights themselves. Romeis-Reisen recommends waiting to book flights until you receive the booking confirmation for the camel trekking tour, as the tour is only guaranteed upon receipt of the booking confirmation.

Information about Arrival and Departure:

Direct flights from Germany to Sharm el Sheikh (SSH) are rare. Recommendation: If booking a flight with Turkish Airlines, the group will meet at Istanbul Airport (meeting point: Café/Bistro Starbucks in the airport hall) for a joint onward flight to SSH Egypt. The tour guide will welcome the group at Sharm el Sheikh Airport, Egypt. Other meeting points and times require prior arrangement. The group transfer from the airport to the camp and from the camp to the airport will be organised for the group at the common flight times on the arrival and departure days. Additional transport costs may arise for transfers to and from SSH Airport at other times.

I agree to the sharing of my name and email address with the other tour participants
